## Negotiating Compensation

Feeling good about your compensation allows you to focus on doing your best work in ministry. Negotiating a fair compensation package requires collaboration between the pastor and the church. Work together with your church to conduct those discussions in a spirit of good will that avoids rancor and ensures a positive outcome.

\* Employers choose whether or not to include the Social Security/Medicare tax offset for determining The Comprehensive Plan premiums.

\*\*Most Ministry Related Expenses should be reimbursed under a tax advantaged accountable plan.
