### MMBB Is On The Move!

MMBB Has Chosen Fidelity as The New Provider of Recordkeeping Services For Our Retirement Benefit Plans.

Beginning November 1, 2022, Fidelity will become the new provider of recordkeeping services for the MMBB Retirement Benefit Plans.

**No action is required at this time.**

*We'll do the heavy lifting for you—transferring your account balance and investment elections, and any account loans you may have. Your contributions will continue throughout the transition.*

**Watch your mailbox:** In October, you will receive your transition brochure from Fidelity. This brochure will be your guide through the transition process, so please read it carefully.

### **Why was Fidelity chosen for the MMBB Retirement Benefit Plans?**

As one of America's leading providers of workplace recordkeeping services, Fidelity is committed to providing world-class customer service and state-of-the-art technology.

We're confident that you'll be pleased with this change, and the many new services soon to be available through the MMBB Retirement Benefit Plans and Fidelity.
